Please bring your rabbit's normal dry food for digestive purposes.

All rabbits will enjoy a daily run, a cuddle and grooming. They will be given fresh food twice daily as well as dry food, readigrass and hay and fresh water.

Should your rabbit need the advice or care of a vet, we ask that you set up an account with a local vet in order that we will be able to assist you with your pets needs as quickly and as easily as possible. I am quite happy to administer any creams, drops, medicine that they require.

Please call Hazel on 07783 637 902 to enquire or reserve.
